PROVEN AND PREDICTABLE RESULTS.

Now in single-use .5g pouches to use only what you need.

ProRoot® MTA delivers the proven, predictable results clinicians count on from the first name in root repair.

- Biocompatible for normal healing response
- Strong seal that sets in moisture
- Reduces bacterial migration

And now, ProRoot MTA’s improved packaging reduces waste with convenient .5g pouches and corresponding water ampoules to mix just the right amount for single-patient use.
THE RIGHT CHOICE.
IN THE RIGHT AMOUNT.

Get the same ProRoot MTA trusted in over 4 million cases, now conveniently packaged for single-patient use to reduce waste.

- 2g box with 4 single-patient pouches
- 5g box with 10 single-patient pouches
